Just one bad thing after another
and I moved to a far away island nation.
my engagement was broken,
My parents divorced,
That's the only reason
was because relatives of my mother accepted us
The reason we moved to this country
that I really like this country
It's fortunate

People can freely associate with others and be happy.

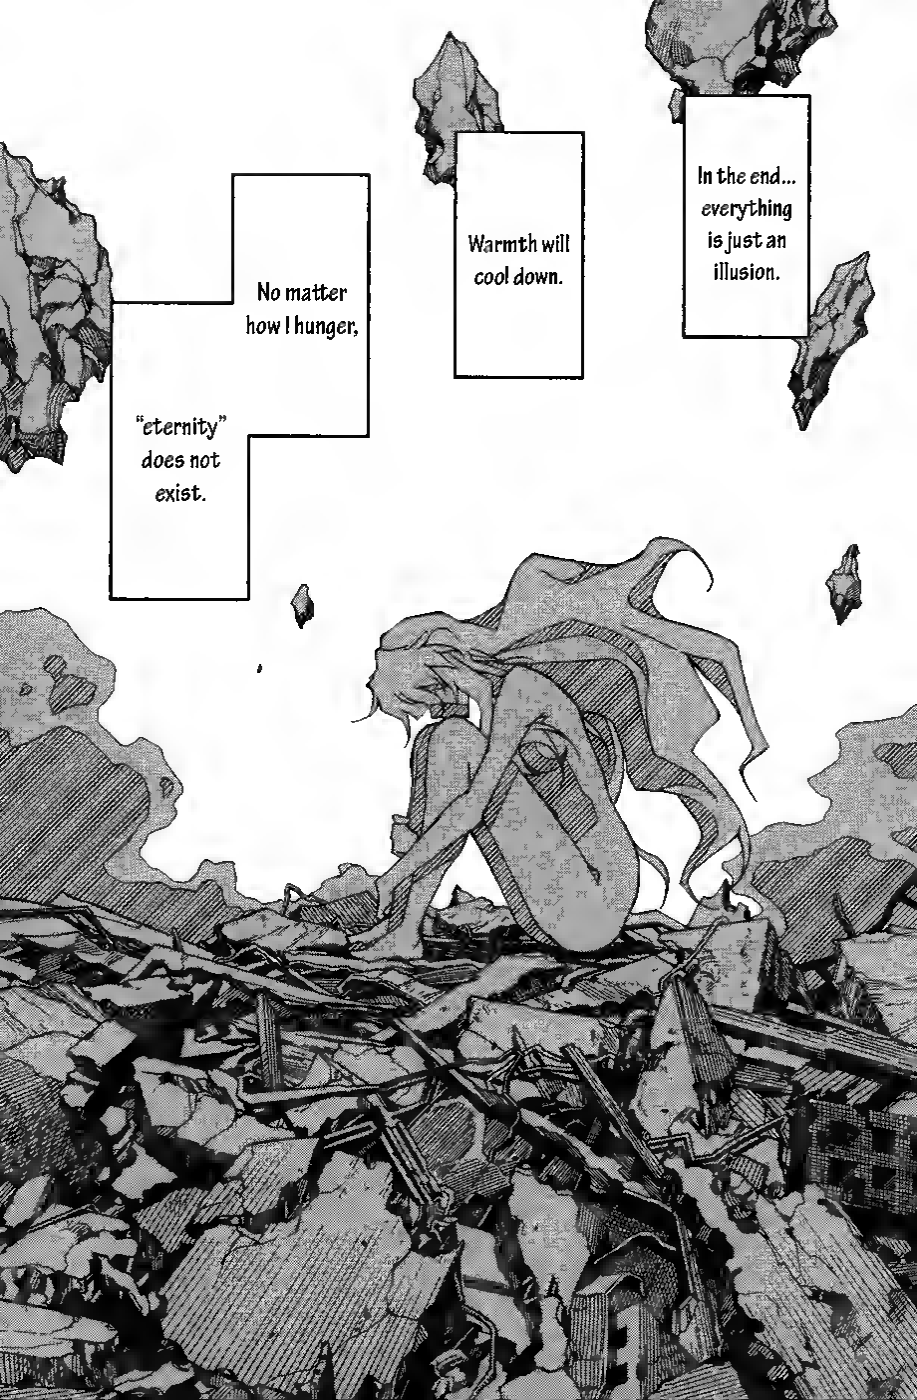
In this country, there's basically no difference between the rich and the poor.

What I really enjoy about this country is the "freedom".

If I were born in this country...
If I had met Rabi in this country...

These are all Rabi substitutes
Looking for the fulfillment of body warmth
this is the price I pay to continue experiencing the eternity that was abruptly taken from me
the "change" started deep within me.
after having so many sexual relationships with guys
In the end...

YOUR BOYFRIEND ...
SLEPT WITH ME, YOU KNOW?
Those simple words
can break lovers apart.
The relationships between people can easily break
But this "weakness"...
I suddenly realized that this "weakness" is the "price of freedom".



No matter how I hunger,
"eternity" does not exist.
Warmth will cool down.
In the end... everything is just an illusion.
